No: 193

Inungoo Department
Mysore District.

To,

The Deputy Commissioner
Mysore District
Dated 30th November 85

Sir,

I have the honor to solicit sanction to the levy of rent from persons setting up bazaars in the grounds attached to the temple of Chouchan-Kathe in the Yedatore Taluk.

2. The annual Jatre at Chunchin-Kathe is an event of considerable importance. It attracts thousands of people. A brisk trade is carried on for nearly a month on that occasion.

3. There are 2 plots included in this proposal. The first is the ground all round the temple and is in its immediate vicinity. It is shown as No: 1 in the Survey Accounts. It is attached to the temple and has consequently not been assessed. Most of the important shops are set up

on this piece of ground. The second-s plot is numbered 67, 68, 69, 71 and 74 in the Survey Accounts. This too has not been assessed by the Survey Department. But a note has been made in the Survey Accounts that it might be given out for bulbami. There are a few big trees on this plot, nearly 200 fresh ones have been planted by the present Amildar. The spot is un-fit for cultivation. Nor does grass thrive well on it. From its position, from the use to which it has always been put and from the Malvan jo herewith submitted, it seems to me clear that this ground is also attached to the above mentioned temple.

4. The temple is not a richly endowed institution. Its funds do not permit of any establish-ment being maintained for con-servancy purposes during the fair season Owing to the

very large Concourse of people that throng to the place during the Jatra, something should, I venture to think, be done in this direction. The place being Considered a sacred one, many people go there almost every day. The temple is situated in a lonely place and there are no inhabited villages within two miles of it. Some provision for feeding such people seems therefore desirable. For one day during the Jatra, Brahmins are fed there out of the funds of the Yedatore Chatrum. This is not being done in a sufficiently liberal manner. To meet these and other charges, I think funds can easily be obtained by the levy of the proposed rent. The measure is not likely to be unpopular. Very low rates may be fixed so that Bazaar-men may have no grievance to Complain of. The present proposal does not differ materially from the proposals made at the

Noodakoo Thome lope which was sanctioned by the Government vide Proceedings No: 613/17 dated 24th April 1885.

5. Under these circumstances I request the favour of your submitting this proposal for the orders of Government. The Vernacular Correspondence between myself and the Amildar is herewith forwarded for perusal.

I have the honor &c

No 572

Mysore Dy Comrs Office
Dated 17th November 1887

To,

The Chief Secretary to the
Dewan of Mysore

Sir,

The temple of Sri Rama-
Devaroo at Choonchankattay in
the Yedatore Taluk is an ancient
institution and is held in great
veneration. Annually a large
Jatray is held at Choonchankatté
in honor of the Diety, when
thousands of people from dif-
-ferent places Congregate, and
brisk trade is Carried on, while
the Jatra Continues for nearly
a month.

2. In 1885 it was Considered
by the then Munzrai Officers
Mr. Srinivasiengar, that owing
to the very large number of people
who assemble at the Jatray time
some sanitary measures should

be adopted. The temple not being
literally endowed, he proceeded
with a view to ascertain as
nearly as Convenient, the establish-
ment at that time, in order
to make any Changes connected
with the temple service, that
might become necessary during the
Journey on the extensive grounds
attached to the temple, and ad-
-dressed the late Deputy Com-
missioner, Mr. Abdul Khader,
on the subject. The Deputy Com-
missioner, however, did not ob-
serve of the steps on the grounds,
that the non-provision of any new
one would be a hardship to the
people.

3 The Executive Magistrate Officer,
Mr. Narayandasappa Row, had again
volunteered the same view for re-
-Consideration, and his above first

No: 51 dated 15th Ultimo.

4. On a Consideration of the pro-
-posals made by the Munsif Of-
-ficer in 1885, I find that the im-
-position of the rent recommended
is not a new incident in its fea-
-ture as there have been prece-
-dents for it (vide Dewani Pro.
Dewani Pro: No. 613/14 of/24th April/85 } - cedings quoted
X do —do- No: 2105 of/21st March 1887 } in the margin
sanctioning the levy of similar
rents in the Case of Moodakoo
Thoray and Sooberamanya ghat
Jatrays) and that it is least
likely to press upon the traders
when reasonable rates are
prescribed and demanded
of them. It is also stated in
the letter containing the above
proposals that the measure is
not calculated to be unpopular
and I fully concur in this
view. I therefore beg that you

will be so good as to obtain the sanction of the Dewan for the levy of the rent as proposed by Mr. Srinivasiengar, a copy of whose letter to this Office, No. 193 dated 30th November /85, is herewith submitted for information. The realizations from this source will of course be credited to the temple funds.

Dewan's Proceedings No. 13-4, dated 25th November last, Sanctioning the collection of a small rent, from the Shop-Keepers at the jatra at Chunchankutte, in the Yeddatorah Talûq, who open Shops temporarily on the temple grounds.

In reply to the last para of the above, I have the honor to State, that the total amount collected last year at 1, and ½ Rupee rates, from the cloth merchants and dealers in grain, respectively, was ~~Rs~~ 155. There existed a practice of

allowing the ryots the use of the manure falling on the ——— temple grounds, and requiring them in return, to supply the necessary materials for the car, such as arecanut trees, and bamboos. This year, the manure will be put up to auction. The Sale proceeds, together with the Collection of the Rent will be Credited under the Hasa Head.

2. Of the amount thus realized, it is proposed to entertain for 2 months, 2 Sweepers, and one peon at Rs. 6 each per month, and to Spend about 30 Rs. for the repairs &c of the Car. The balance, will be utilized for the repairs of the Temple when necessity arises.
